## **BROCHURE PRISON**

The need for security in prisons, arrest houses and other corrective facilities may be obvious, but it is not only a matter of keeping people inside. Security solutions must be in place and allow free movement for prison staff, but no adverse effects on the integrity of the site as a whole.

As an experienced and focused provider of security solutions, we understand the security challenges that these facilities are facing. Our full range of alarms, intelligent surveillance solutions, perimeter security and detection systems and jamming systems in areas such as telephony, means we can offer a comprehensive security suite.

Furthermore, we are able to lead the process from start to finish, from installation to after sales service and maintenance.

To ensure that the sites function properly and as intended, the security measures cause trust the people operating them and protected them. We are the partner that can and will supply it.

If your specific area is not to find here, please contact us directly via [info@securiness.com](mailto:info@securiness.com) - we certainly have the expertise already

SECURINESS - we are always ahead, we call it Tomorrow's SECURITY-thinking
